Week 12 · Judge the Judge

ARCH7476 · the only scores today go to the LLM

Grounded: quotes the card accurately; the problem is real. **Off-target:** accurate quote, but misreads the purpose or applies the wrong standard. **Invented:** relies on something not on the card, or misquotes it. Tick one box per criticism.

Presenter 1:

Restatement right? yes / partly / no

#	Grounded	Off-target	Invented	Note
1				
2				
3				
4				

Judge's score (grounded): / 4

What the judge missed:

1				
2				
3				
4				

Judge's score (grounded): / 4

What the judge missed:

Presenter 4:

Restatement right? yes / partly / no

#	Grounded	Off-target	Invented	Note
1				
2				
3				
4				

Judge's score (grounded): / 4

What the judge missed:

After all four: Which kind of problem did the judge catch best? Which did it miss? Would you use it on your next project, and for what?
